

GOLD RUSH XXIII SCRAPBOOK RULES

Scrapbooks can be entered in the contest by a chapter, state or region. Bring your completed scrapbook with you to Gold Rush in Billings, MT.

All scrapbooks will be judged on the following:

- ❖ Theme: The theme of each scrapbook should be about GWTA events (it does not have to be the same event and may include several different GWTA gatherings.)
- ❖ Creativity: How well the embellishments are used along with color and design of each page.
- ❖ Neatness: Pages must be 12" x 12" (standard size); Is the scrapbook easy to understand? Are the pages in order? Do the pages stay intact as they are turned?
- ❖ Events: Labeling of events such as the date it took place (only year and month needed) and where the event took place.
