

A LIVING MEMORIAL
FOR ALL WHO SERVED

California High School Stadium
Whittier, California
2009

In 2007, both the US Congress and US Senate passed resolutions proclaiming March 30 as **NATIONAL Welcome Home Vietnam Veterans Day (WHVVD)**. On March 30, 2008 in Whittier, California over 4000 Veterans and their family and friends united together at California High School to celebrate WHVVD. It was a great success! **On Sunday March 29, 2009 again at California High School in Whittier we will host our next WHVVD CELEBRATION.** We invite the entire community to participate in this historical event as we, officially pick up the pieces of the past and thank our Vietnam Veterans with a long over due welcome home. Together we can make a difference for all Vietnam Veterans by showing that we appreciate their sacrifices. Please join us as we look back in history and remember that we must work to never repeat the mistakes of the past. As we move forward in this grand celebration let us remember to thank all veterans past, present and future for their commitment to this great nation. ***This event is free for the entire community we look forward to seeing you there! God Bless the USA.***
